David researched how aging in human cells is linked to BubR1 Expression.

What will you discover?

*“From a very early age, some of the first books I began to read were science books about the natural world and space. These books were what introduced me to the world of STEM.”*

DAVID HE  
REGIONAL WINNER, ALBERTA

The SBC competition isn't like other science competitions: it allows you to design and propose your own biotechnology research project and work with real scientists in real labs to see it through. Plus, the SBC competition gives you the chance to win cash prizes, scholarships, and more!

**Don't wait! Apply today!**
